

Cordless Air Compressor

Brand: BGS

Article number: 3380

EAN: 4026947033808

Description

- very handy and powerful battery air pump
- wide range of applications in connection with exchangeable valve attachments
- suitable for inflating vehicle and bicycle tires and inflatable toys and sports articles
- for screwing the hose (length: 135 mm) on the valves
- digital LCD display for setting the desired tire pressure
- pressure units: 10.3 bar (150 PSI)
- air compressor can be operated using two different power sources
- incl. charging cable with connection to the cigarette lighter plug
- incl. lithium-ion battery with power supply unit
- with LED lamp to illuminate the work area
- visual battery status display with 3 LEDs
- auto-stop function as soon as the preset tire pressure is reached
- LED light
- Battery capacity: 2000 mAh
- Amperage: 4.5 A
- Peak current: 8 A
- USB output: 5 V / 1 A

scope of delivery:

- 1 battery air pump
- 1 lithium-ion battery 12 V
- 1 battery adapter with 12 V car charging cable (1 m) for cigarette lighter plug
- 1 adapter in the shape of a needle (for sports equipment and balls)
- 2 adapters conical tip (for boats, air mattresses and swimming aids)
- 1 charger, 110 - 240 V / 14.8 V (0.8 A)

Technical data

Packaging suitable for wall hanging	No
Gross weight	1620 g
Accumulator type	Li-ion
Rated voltage	12 V
